## *2<sup>nd</sup> Announcement*

*Dear Participants of the Conference,*

*We are pleased to invite you to participate already in International Scientific Conference ‘New trends in Food safety and quality’ (NIFSA 2017). The Conference will take place in Kaunas (Lithuania) from 5 to 7 October 2017.*

The conference is organized along two transdisciplinary tracks:

- 1. Sustainable growing technologies and methods used for the improvement of food raw materials.*
- 2. Innovative and perspective raw materials and food products (agriculture and forestry resources for food).*

**With pleasure we'd like to invite you as foreign specialists to take part in the Conference and give presentations during the Conference** (English is an official language of the Conference). Abstracts will be published by the Publisher of the Aleksandras Stulginskis University.

It is a pleasure for us to welcome you at Aleksandras Stulginskis University, which is developing due to the challenges of smart growth and bio-economy. The University is becoming more and more advanced in science and more open to society for cooperation and sharing knowledge.

The Mission of University reveals our main aspiration: to develop and disseminate scientific knowledge and sincerely strive for save and healthy food and full-fledged living environment for all citizens.

We are able do more „step by step” with global changes and innovations by sharing innovative ideas, experience and results of our researches.
